

HIPPEX LOGISTICS & TRADING (I) PVT. LTD.

Global Supply Chain Excellence

An ISO 9001:2008 Certified Organization

CORPORATE PROFILE

Providing Integrated Logistics Solutions Since Incorporation

HIPPEX LOGISTICS INDIA stands as a reputable pillar in the Freight Forwarding and 3PL sector. Headquartered in New Delhi, we operate with a nationwide footprint, delivering seamless logistics integration at every major Indian gateway.

Our operations are built on the pillars of **transparency**, **operational excellence**, and **long-term institutional partnerships**. We provide end-to-end supply chain solutions tailored to enterprise requirements.

Core Infrastructure & Strategic Network

Global Reach

Powered by a robust and longstanding overseas agent network, providing door-to-door command across all major international trade lanes with seamless coordination.

Domestic Stronghold

Full-service branch operations and customs handling at Nhava Sheva, Mundra, Chennai, Kolkata, and key ICDs across North India.

Competitive Edge

Institutional carrier relationships that translate into sustainable pricing advantages and priority space allocations for our clients.

Specialized Industrial Expertise

Chemical & Polymer Vertical

We are recognized specialists in the complex handling of **Dyes, Chemicals, Compounds, and Polymers**. Our team understands the nuanced requirements of hazardous and temperature-sensitive materials.

Customs & Regulatory Mastery

Deep-tier expertise in Indian Customs regulations, ensuring high-speed clearance and zero-deficiency documentation. Our compliance team navigates complex import/export protocols seamlessly.

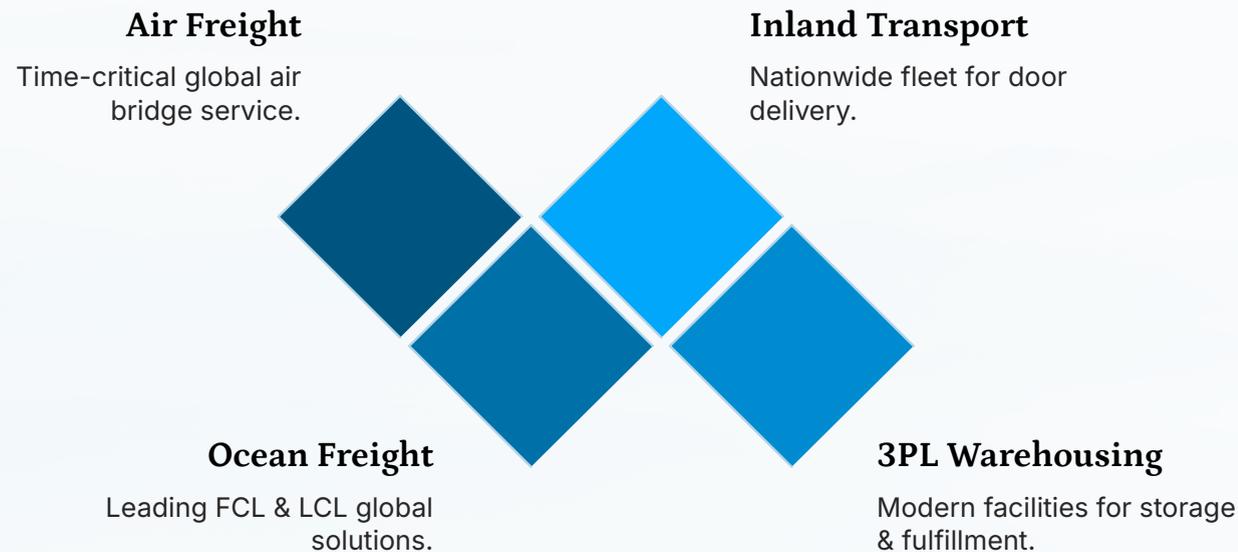

Diverse Commodity Range

From Industrial Raw Materials to high-value Baggage Shipments, we manage diverse cargo profiles with precision, ensuring safe delivery across every commodity category.

Comprehensive Multimodal Services

End-to-End Modal Solutions

- **Ocean Freight:** Leading-edge FCL and LCL solutions (FOB, CIF, DDP, DDU, EXW)
- **Air Freight:** Global time-critical air bridge solutions for high-value cargo
- **Inland & 3PL:** Comprehensive fleet for nationwide trucking and modern warehousing
- **Special Equipment:** ISO Tanks, SOC Containers, and OOG Project Cargo capabilities

Quality Commitment & Reliability

100%

On-Time Delivery

Consistent performance meeting "On time, every time" KPIs for enterprise clients

100%

ISO Certified

Strict adherence to ISO 9001:2008 quality management systems

100%

Safety Compliance

Full compliance with international shipping safety protocols

We serve as the logistics backbone for reputed brands, maintaining **The HIPPEX Standard**: Professionalism, reliability, and optimal rate structures designed for large-scale enterprise requirements.

Ready to Optimize Your Supply Chain?

We invite formal inquiries for upcoming shipping requirements. Our specialized team is prepared to conduct a thorough analysis of your logistics needs and deliver tailored solutions that drive efficiency and cost optimization.
